About a month ago, Andre launched a YouTube channel where he has been uploading videos of Biblical teaching (in English!). You can view his videos by searching "Andre Hebrew Bible Study" into the Youtube search bar. If you'd like notified when he shares new videos, click the red "Subscribe" button on the upper right hand corner

The screenshot shows the YouTube channel page for "Andre Hebrew Bible Study". At the top, there is a search bar with "andre's hebrew" entered. Below the search bar, the channel name "Andre Hebrew Bible Study" is displayed with a profile picture (a red circle with a white 'A') and "8 subscribers". A red "SUBSCRIBE" button is visible in the top right corner. The navigation menu includes "HOME", "VIDEOS", "PLAYLISTS", "CHANNELS", and "ABOUT". The "Shorts" section features four video thumbnails: "Dont Be a Control Freak" (7 views), "Walk before God" (12 views), "Change the world in 1 minute #timemanagement" (7 views), and "Polar bear ice fishing" (73 views). The "Uploads" section is titled "PLAY ALL" and shows a row of six video thumbnails with titles and view counts: "Who is Responsible? Personal and Collective..." (11 views, 4 days ago), "Improve your marriage with Hebrew" (14 views, 10 days ago), "Tithing - Secret For God's Provision" (15 views, 12 days ago), "Do you dare? #chutzpah in Hebrew" (12 views, 2 weeks ago), "Trust in God! Not in numbers." (4 views, 3 weeks ago), and "Psalm 23 (Tehilim 23) in English and Hebrew" (15 views, 1 month ago).

June 24th:

Hello! We are doing good. Praise the Lord! Good news: two new ladies from the village of Kebanyal (where Tamara lives) have started attending the Don church. They come with their kids who have loved the Don church Childrens service that Lena and Anya are in charge of. They seem to really love the fellowship and the teaching. Their names are Tanya and Lena. You can keep them in prayers.

We want to praise the Lord for my Youtube channel. I have a Russian channel and the English one. The number of views is growing. People are watching in Russia, Ukraine, Estonia, Germany, Kazakhstan and the US. With God's help, I hope the channel will help spread the Word the world over. Thanks for watching, liking, subscribing and reposting!!!

We found out about a need in Ust Kulom to help a handicapped elderly man. We got the info from a local social worker. The man's name is Ivan. They needed volunteers to help put the firewood into the barn, cut some old boards for him and stack them. My family and Elijah (Antonenas nephew) volunteered to help. We didn't see the man. He was locked up inside by the social worker. Hope to see him and talk to him personally

Simeon is in the village of Uguidyag helping the locals right now! I will be sending pictures of his work there soon.

*Thanks for praying,
Pastor Andre*
