

Update from Andre, October 19th, 2022:

Hello ministry board and supporters! I would like to thank our board members and all the supporters for your time, prayers, finances and dedication, and LOVE for the Lord and the mission. I know God will bless you all.

The Don church is vibrant and getting momentum. Praise the Lord! The work of the ministry is still under way. Here is the latest Don church picture last Sunday when we celebrated God's harvest time.

We thanked God for the material and spiritual harvest. Many people took part in the event. It was a joyful time of worship and fellowship.

Augusta passed away last week at the age of 80. She loved the Lord. Her favorite psalm was Psalm 91. She knew it by heart. Simeon, Tamara and Arthur together with Andre attended the funeral. We were asked to sing a few Christian songs and share the Gospel in front of her unbelieving relatives. We also gave away some New Testaments and Christian brochures. She will be missed. Her daughter continues recovering from the stroke. She also attended the funeral.

Here are some more pics of some of the work projects done in the ministry:

Early October Oleg, Stepan, Simeon and Andre went to the city of Kotlas about 200 miles from where we live to help build a log bath house for a local Christian widow who is raising 4 kids. Her name is Nadia. Her husband Eugene passed away a year ago. We spent 2 days there building and roofing that log structure. Hopefully next summer the bath house will be up and running.

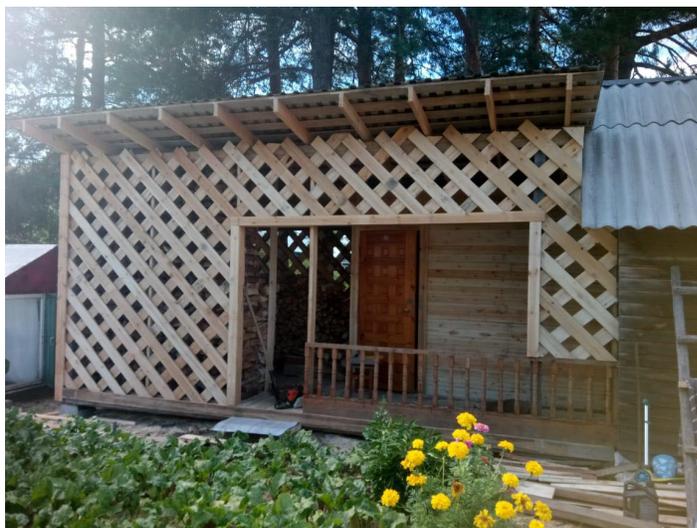

Last week Simeon built a wood stove for Eugene from the city of Syktyvkar. Eugene is almost blind. But he still raises 3 kids and has a little farm. He needed that stove to heat his animal barn. He is a Christian man. He loves worshipping the Lord and has written a few songs.

Simeon also welded a metal wood stove for Alexandet, a Don local who attends the Don church.

Simeon and brother Nikoli built a firewood barn for Maria ( Williams nurse).

God bless,  
Pastor Andre
