

WILLIAM WOOD MISSIONS TO RUSSIA

UPDATE
September, 2021

"Hello supporters and friends!!! We are doing Ok. I recently talked with Maria and William. Bill is in a similar condition. Looks pretty good. Simeon's family and my family have been away for a few weeks. Got to see our relatives. It was a blessing. Now we are back full of energy and great impressions. Had a wonderful service last Sunday. People shared testimonies. Our sister Nina from the Don church shared how the Lord had healed her.

Pastor Alexei who used to live in our district was visiting with us and shared his testimony of what the Lord is doing in his new town. Later during the service, I preached from the Psalms.

God is good. All the time. All the time. God is good.

Augusta's daughter is being taken care of in her house. She still cannot speak or walk. She is in a wheelchair. She can only say one word: "Masha". She can only move one arm and one leg. Augusta appreciates all the prayer support! God Bless, Andre"
